

Hi there! I'm Somi

UX/IU Product Designer

I have been working independently in the design industry for 7 years, with my most recent experience being a remote freelance UX/UI Web Dev. I am a great team player, have great communication skills, and high creativity. I am currently seeking steady employment in design for e-commerce or web.

EXPERIENCE

UX/UI Web Developer

📅 March 2020 - Present

🏢 Freelance

Developed web-site mock-ups for clients to ensure quality control and client satisfaction, created original social media content, as well as ecommerce websites and provided ongoing maintenance and support using multiple technologies

Logistics Operations Manager

📅 September 2018 - March 2020

🏢 Freddy's Diamond Jewelry

Created several internal processes to increase efficiency, quality and speed. Wrote and visually designed employee training manual for my department, and ensured quality control of all products is upheld.

Product Designer

📅 May 2015 - September 2018

🏢 Freelance

Developed web-site mock-ups for clients to ensure quality control and client satisfaction, created original social media content, designed logos, flyers, labels, and other forms of product packaging.
